Second Letterbox Adventure	October 2011
Activity sessions/workshop	December 2011

Welcome to the first edition of the Letterbox Adventure. This is a literacy club set up by the Virtual School for Looked after children and Kingston Libraries with a view to helping you enjoy and gain access to a variety of new books, activities and events whilst helping you achieve your full potential academically.

Every half term you will receive a book to enjoy with your family and friends alongside rewards, stationery and activities. A newsletter like this will be sent to you regularly and it can also be found on the Young Livin' website (www.younglivin.org.uk). We welcome your feedback, and any creative writing you produce which you would like to share with us.

This month we are sending you a copy of the graphic novel *The Spider Moon* to enjoy. . Even more exciting is an event this October half term at Surbiton library when the author and illustrator herself, Kate Brown, will be coming along to talk about how she wrote the book and run an illustration workshop where you can learn how to create your own graphic novel characters.

Full details of this event will be included with the book. Places are limited though, so please sign up early if you'd like to come to that.

We hope you enjoy your first Letterbox Adventure!
