

Welcome

# Hello...

## Letter from Editor

Well, it's been a long wait, but finally Issue 8 of Youth Unlimited has arrived! We know it's taken a while but we're back, brighter and better, and hopefully you'll enjoy our magazine even more than we enjoyed making it: dancing around at gigs, going to football matches, trips up to London... it's been tough!

We've had a bit of an overhaul here recently – as you can probably see we've shrunk YU down to a more practical bag-size, it's been almost entirely redesigned and we've worked long and hard writing more articles than ever before. If you're interested in sports, take a look at the Kingstonian article on page 12, the local music scene's on page 38, and the eternally embarrassing subject of parents and sex can be found on page 8.

Enjoy!
