

MAP Commonwealth Youth Exchange

**DO YOU WANT TO BE INVOLVED?
I'LL TELL YOU WHY YOU SHOULD!**

Kingston Youth Service are now recruiting young people for their Commonwealth Youth Exchange. They want 15 young people of mixed gender, aged between 15-17 years old, to organise and carry out a youth exchange with another Commonwealth country.

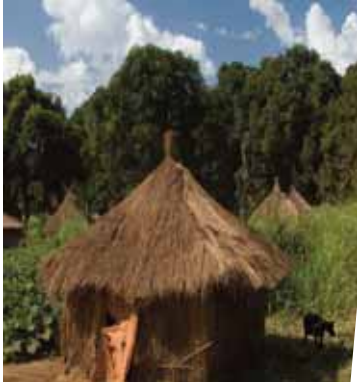

The exchange will take place in summer 2009. It will be for 3 weeks.

Contact has been made with India, Ghana, Nigeria, Sierra Leone and Zambia.

You will meet with overseas young people and realise that you have lots in common as human beings in today's world.

It's a chance to meet and have meaningful contact with young people in another country.

The exchange will be youth led and educational. It will not be a holiday

If you think that this will be a life changing opportunity if you came along, please contact Melissa on 07795978328 or 0208 547 6792.
