

# SUPER HERO SHOWDOWN!

BY TOM WHITE-CLARKE, CHRIS FULLBROOK & DOMINIC ROBERTS

*Have you ever wondered what would happen if all the super heroes in the world got into a big ruckus, who would survive and which would be annihilated? Well today you have your chance to catch what we think of the battle. What follows is how we think such a colossal battle would pan out, and which super hero would emerge victorious! We haven't necessarily used any proper methods to decide the winners, but we hope you all agree.*

## SPIDERMAN VS FLASH GORDON

Erm.. not a hard one this one. Despite Flash being in "Defenders of the Earth" (defenders)... we must remember Spiderman's supreme strength, agility, webslinging and wall-climbing ability. Flash is left completely overwhelmed, Spidey goes through.

## HULK VS WOLVERINE

The Hulk's strength does give him weight yet Wolverine's ability to heal and metal bones effectively make him 'unkillable' via this brute force method, and we have been informed that in the comics, Wolverine cut off Hulk's arms and legs. Wolverine wins.

## BUFFY VS BLADE

Hmm, both slayers of vampires, both begin with B, this one was close. We think Blade's mastery of the sword and selection of vampire powers to draw from would make him the winner here, Buffy on her own, without her cohort, is left weakened.

## SUPERMAN VS HE-MAN

A much as it breaks our hearts, we must knock one of these great superheroes out of the competition in the first round. Two of our strongest heroes, however in this battle, Superman takes the advantage through his sheer variety of powers (and Prussian blue tights) compared to the simple overwhelming strength of He-man. Superman goes through.

## POWER RANGERS VS POWERPUFF GIRLS

Our youth worker made us put the PPGs in...The Rangers have some serious GUNS...whereas the PPGs have the word "puff" in their name. Rangers take it, no contest.

## TEENAGE MUTANT HERO TURTLES VS THUNDERCATS

This is a tough call at the best of times. Both are very skilled with their weaponry, and have their trusted leaders in the Sensei Splinter and the Thundercat leader Liono. However, on this occasion, the Turtles are far too well protected by their shells for the "Sword of Omen" to penetrate. Turtles go through.

## BATMAN VS CAPTAIN PLANET

At the end of the day no one has really heard of Captain Planet, apparently his powers lie in refuse collection. On these grounds and Batman's intolerance of vigilante cleaners, Batman emerges on top of this warm up.

## CATWOMAN VS WONDERWOMAN

A cat fight you might say?...well the one is a non-cat is going to win unfortunately. Catwoman is possibly the worst hero invented, having neither powers nor gadgets. Wonderwoman, however, has far superior strength and speed, and so would wipe the floor with Catwoman.
