

# QUARTER FINALS

## WONDERWOMAN VS SUPERMAN

Both positively super, however who has the power to overcome the other? Not meaning to be sexist in this, but SuperMAN does really have the far more beefy powers and strengths. I'm sure he doesn't like hitting girls, but when given the chance he can turn woman-beater.

## SPIDERMAN VS POWER RANGERS

For purposes of fairness, we've decided not to give the Power Rangers access to all their "zords", seeing as they already have a 5:1 advantage. Despite this, Spiderman outdoes all of them on agility, strength and stamina. With their zords it might have been a different story, however Spidey marches on!

## WOLVERINE VS TEENAGE MUTANT NINJA TURTLES

A tough call at the best of times, especially when we consider the numerical advantage. Both are well protected, with shells and metal skeletons, however only one has a power to regenerate. Wolverine also beats down their turtle power with his awesome strength, enabling him to making some tasty turtle soup. Wolverine goes through.

## BATMAN VS BLADE

A truly great battle between two vigilantes that have no great super power apart from the weapons which they wield. They are both creatures of the night; however Batman does seem to have abilities such as flight and a big car! For that reason Blade is left in his dust as Batman progresses to the semi-finals.

## SPIDERMAN VS WOLVERINE

Hmm both are MARVELous... (get it?), however I don't really think that Spiderman could be caught by Wolverine. A simple blast of his web would stick Wolverine to the wall, giving him time enough to slap Wolverine silly. Spidey's in the final!

# SEMI FINALS

## BATMAN VS SUPERMAN

Clearly two of the nation's DC comic favourites. As much as Batman is cool and very much a wonderful hero, he is no match for the krypton-based powers of Superman. The big S moves on.

# THE FINAL

## SUPERMAN VS SPIDERMAN

As we reach the final, these two titans clash in a fury of power and rage. Both are strong, both are agile and both want the title. Spidey fights hard with his web-slinging and agility, however they are no match for Superman's laser-eye beams, which destroy his webs in an instant. Superman finishes off Spidey, and Superman is our champion!

*So, in conclusion, we decided that Superman wins! And we hope you're not disappointed with our choice. If you're particularly angry about any of our decisions, then please write into the magazine to the address at the front, and let us know what you think about the battle.*
