## HIJACKS YOUTH UNLIMITED

younglivin.org.uk

### Welcome to the hijacked issue

Young livin, a website designed for those of you that go to school or live in the borough, has just been re-launched and to celebrate we've taken over Youth Unlimited for this special edition issue.

Don't worry we've still got the regulars you are use to, but on top of that we'll be telling you more about the young livin website, what you can find on it and how you can contribute towards it.

Hope you enjoy this issue and don't forget to check out the YL site @ [www.younglivin.org.uk](http://www.younglivin.org.uk)

*Enjoy
